The **Annals of West University of Timisoara – Physics** (Analele Universității de Vest din Timisoara – Seria Fizică) publishes original papers presenting new results obtained in the fields of Materials Science, Theoretical and Computational Physics, Applied Physics, Medical Physics.

The **Annals of West University of Timisoara – Physics** is published in electronic format only, one volume per year. The journal is an Open Access journal that allows a free unlimited access to all its contents without any restrictions upon publication to all users. Authors who publish with this journal retain all copyrights and agree to make the submitted article available under the terms of the **Creative Commons BY 4.0 license**  
<https://creativecommons.org/licenses/by-nc-nd/4.0/>

The journal does not have article processing charges (APCs) nor article submission charges.

The journal welcomes papers written in English, and the authors are encouraged to have their manuscript reviewed for language before submission.

The Editorial Board will consider for publishing only those manuscripts that have not been published or simultaneously submitted for publishing elsewhere. The submission has to be approved by all of the authors and they have to agree to the copyright policy after the manuscript is accepted for publication.

Each submission will be initially assessed by the Editor and verified for originality by Similarity Check. Papers that pass the preliminary assessment will be subjected to the blind peer review process, being sent by a member of the Editorial Board to two reviewers. The corresponding author will be notified by the Editor by email when a decision for publication is made, and the authors will be asked to answer all the reviewers' questions and comments and to take into account the suggested revisions when preparing the final version of the manuscript. The Editor is responsible for the final decision regarding acceptance or rejection of articles. The Editor's decision is final.
