

## Instructions for Authors

The Scientific Bulletin is a double blind peer-review academic publication, which aims at presenting various approaches to the following domains: Military Sciences, Public Administration, Social and Humanities Sciences, Management, and Technical Sciences, highly implemented within Defence System, Public Order and National Defence.

The Scientific Bulletin does not have article processing charges (APCs) nor article submission charges.

### ***General guidelines***

Manuscripts should be submitted by e-mail at [buletinul@armyacademy.ro](mailto:buletinul@armyacademy.ro).

Articles should have 5-7 pages.

Each article should include:

- an abstract (150-200 words);
- up to five keywords.

We strongly advise you to consult with a native English speaker or English language specialist concerning the fluency of your text.

Starting with the editorial year 2016, quotations in the text as well as the references will be typed according to American Psychological Association (APA). Additional information can be accessed (found) at [www.apastyle.org](http://www.apastyle.org)
