

AUTHOR GUIDELINES

【】 About the journal

Society Register is an international, open access, double-blind and peer-reviewed journal publishing high-quality and original research. See the journal's Aims & Scope for more information.

This journal publishes manuscripts only in English.

【】 Open Access

Society Register is an open-access journal, published under the CC-BY-NC 4.0 license (detail available here: <https://creativecommons.org/licenses/by-nc/4.0/>). It offers unlimited access to all its content all over the Internet, immediately upon first publication (no embargo period).

【】 Article Processing Charge (APC)

The journal does not have article processing charges (APCs) nor article submission charges

【】 Preparing Your Paper

- (1) Author's full name and academic title(s);
- (2) Author's full affiliation (including: name of the department, faculty and university, postal address and e-mail). If the author affiliates him/herself with a business organization or institution, please, supply adequate information on the organisation's full title and address and e-mail address;
- (3) ORCID ID (see <https://orcid.org/>);
- (4) Title of the paper (max 15 words);
- (5) An abstract (100-200 words) to disclose the main idea of the paper and your research results;
- (6) Keywords (5–7 meaningful words/phrases);

(7) Main body of the text;

(8) References in the alphabetical order in APA Style Guide (6th Ed.) (EndNote is recommended with DOI numbers). References should be clearly cited in the body of the text, e.g. (Bauman, 2006) or (Bauman, 2006, p. 45);

(9) Funding, conflict of interest, acknowledgements.

FUNDING: This research received no external funding.

This work was supported by the National xxxxx.

CONFLICT OF INTEREST: The author declares no conflict of interest.

ACKNOWLEDGEMENTS: I would like to thank...

BIOGRAPHICAL NOTE

X is senior researcher at the University of XX, US.

OPEN ACCESS: This article is distributed under the terms of the Creative Commons Attribution Non-commercial License (CC BY-NC 4.0) which permits any non-commercial use, and reproduction in any medium, provided the original author(s) and source are credited.

JOURNAL'S NOTE: *Society Register* stands neutral with regard to jurisdictional claims in published figures, maps, pictures and institutional affiliations.

Manuscripts that do not follow these requirements will be returned to the author(s) without review.

ABSTRACT

Abstracts for empirical studies should include:

(A) Background: State the primary objective(s) of the study, including the main research questions, aims or theory.

(B) Methods: **Quantitative studies** should include study design, participants (including number of participants), measures, methods of data collection and analysis; **Qualitative studies** should include the study design, participants (including number of participants), methods of data collection and analysis.

(C) Findings: **Quantitative studies** should include a summary of the results; **Qualitative studies** should include a description of the main findings such as the themes or categories generated.

(D) Discussion: Conclusions and/or some discussions of the possible contributions to or implications for the field. Note: It is not acceptable to state "results will be discussed".

Abstracts for other types of studies (such as review studies, policy studies) should include:

(A) Background: State the primary objective(s) of the study, including the main research questions, aims or theory.

(B) Main body: Present the major arguments, conceptual framework, conceptual integration and analyses, and/or proposed standpoints.

(C) Discussion: Conclusions and/or some discussions of the possible contributions to or implications for the field. Note: It is not acceptable to state “results will be discussed”.

【 Article types & word limits

- Articles (original research articles and case reports) [between 6,000-8,000 words]
- Discussions and research notes [between 2,500-5,500 words]
- Book reviews [between 2,500-5,500 words]
- Interviews

【 Style Guidelines

The journal’s preferred spelling style is that provided by the Oxford English Dictionary. However, any consistent spelling style may be used.

【】 Submitting Your Paper

This journal uses Sciendo's website to manage the submission process. To submit your manuscript please go to Sciendo's website.

To insure anonymity during the review process, authors should remove from the manuscript all identifying references, including references to their own past publications.

【 Copyright Notice

Manuscript authors are responsible for obtaining copyright permissions for any copyrighted materials included within manuscripts. The authors must provide permission letters, when appropriate (e.g. when graphics of other authors are used), to the *Society Register* Editors. In addition, all published papers in *Society Register* are published under a Creative Commons Attribution-NonCommercial 4.0 Unported License.

1.1 The Author hereby warrants that he/she is the owner of all the copyright and other intellectual property rights in the Work and that, within the scope of the present Agreement, the paper does not infringe the legal rights of another person. The owner of the copyright work also warrants that he/she is the sole and original creator thereof and that is not bound by any legal constraints in regard to the use or sale of the work.

1.2. The Publisher warrants that is the owner of the PRESSto platform for open access journals, hereinafter referred to as the PRESSto Platform.

2. The Author grants the Publisher non-exclusive and free of charge license to unlimited use worldwide over an unspecified period of time in the following areas of exploitation:

2.1. production of multiple copies of the Work produced according to the specific application of a given technology, including printing, reproduction of graphics through mechanical or electrical means (reprography) and digital technology;

2.2. marketing authorisation, loan or lease of the original or copies thereof;

2.3. public performance, public performance in the broadcast, video screening, media enhancements as well as broadcasting and rebroadcasting, made available to the public in such a way that members of the public may access the Work from a place and at a time individually chosen by them;

2.4. inclusion of the Work into a collective work (i.e. with a number of contributions);

2.5. inclusion of the Work in the electronic version to be offered on an electronic platform, or any other conceivable introduction of the Work in its electronic version to the Internet;

2.6. dissemination of electronic versions of the Work in its electronic version online, in a collective work or independently;

2.7. making the Work in the electronic version available to the public in such a way that members of the public may access the Work from a place and at a time individually chosen by them, in particular by making it accessible via the Internet, Intranet, Extranet;

2.8. making the Work available according to appropriate license pattern [CC BY-NC 4.0](#) as well as another language version of this license or any later version published by Creative Commons.

3. The Author grants the Publisher permission to reproduce a single copy (print or download) and royalty-free use and disposal of rights to compilations of the Work and these compilations.

4. The Author grants the Publisher permission to send metadata files related to the Work, including to commercial and non-commercial journal-indexing databases.

5. The Author represents that, on the basis of the license granted in the present Agreement, the Publisher is entitled and obliged to:

5.1. allow third parties to obtain further licenses (sublicenses) to the Work and to other materials, including derivatives thereof or compilations made, based on or including the Work, whereas the provisions of such sub-licenses will be the same as with the [Attribution 4.0 International \(CC BY-NC 4.0\)](#) Creative Commons sub-license or another language version of this license, or any later version of this license published by Creative Commons;

5.2. make the Work available to the public in such a way that members of the public may access the Work from a place and at a time individually chosen by them, without any technological constraints;

5.3. appropriately inform members of the public to whom the Work is to be made available about sublicenses in such a way as to ensure that all parties are properly informed (appropriate informing messages).

6. Because of the royalty-free provision of services of the Author (resulting from the scope of obligations stipulated in the present Agreement), the Author shall not be entitled to any author's fee due and payable on the part of the Publisher (no fee or royalty is payable by the Publisher to the Author).

7.1. In the case of third party claims or actions for indemnity against the Publisher owing to any infractions related to any form of infringement of intellectual property rights protection, including copyright infringements, the Author is obliged to take all possible measures necessary to protect against these claims and, when as a result of legal action, the Publisher, or any third party licensed by the Publisher to use the Work, will have to abandon using the Work in its entirety or in part or, following a court ruling in a legal challenge, to pay damages to a third party, whatever the legal basis

7.2. The Author will immediately inform the Publisher about any damage claims related to intellectual property infringements, including the author's proprietary rights pertaining to a copyrighted work, filed against the Author. of liability, the Author is obliged to redress the damage resulting from claims made by third party, including costs and expenditures incurred in the process.

7.3. To all matters not settled herein provisions of the Polish Civil Code and the Polish Copyright and Related Rights Act shall apply.
